Please accept this "Letter of Reference" for John Curte' and his carpet cleaning company. I personally have been doing business with JC's Carpet Cleaning for the last 10-years if I remember correctly. We have used John's services mostly in the Palm Beach and Fort Lauderdale areas but in some cases, we have had call him for emergency cleanings in Ocean Reef, Key Largo, as well as New York and New Jersey during the summer months.

My Chief stewardess prefers his services over others as he gives that personal touch and goes above the norm to satisfy us. We like that John has the option to do "Dry Cleaning" as well as the "Wet Cleaning" and he has some sort of "Speical Spot Remover" that he won't share the ingredients with...

I personally highly recommend Mr. John Curte' and his services to anyone who would ask.

Please feel free to contact me if you have any questions.

Kind regards,

Captain David Marks
